

EdenrocVE-LED

SPECIALTY

Product Description

Value Engineered Flexarm LED Spotlight

Ideal for display applications or as a reading light in headboards. The flexible arm allows you to direct light where it's needed. A directional, high-powered LED provides a good light output without any heat or UV radiation, allowing you to directly illuminate even the most sensitive products.

Product Features

- Available options:
 - 3000 K
 - 5000 K
- Energy-efficient using 1.2 W high power LED
- 18" long Flexarm
- Stainless Steel finish
- The mounting plate comes with an on/off switch
- 350 mA LED Driver with 60" connecting cable included
- Efficacy: 83 lm/W
- Good CRI >75
