ShelfLED-KIT

Product Description ——

### The Complete Shelf Lighting System from Hera

ShelfLED-KIT is a made-to-order shelf lighting system, complete with wire management and drivers. It is comprised of three Hera products; CStick-LED, SPS Mini, and Daisy driver. ShelfLED-KIT's modular system allows for easy illumination of shelves requiring efficient re-merchandising.

Product Features ——

- CStick-LED
  (See Page #20)
- SPS Mini
  (See Page #74)
- Daisy driver
  (See Page #100-102)
