Product Description

Customizable Back Lighting

Fabric Lightbox-LED is the perfect foundation to strengthen your brand with cutting edge graphics for signage to stay another step ahead of your competition. Fabric Lightbox-LED is made-to-order to any size up to 5' x 10' and is the perfect alternative to large format snap frame light boxes. The Silicon Edge Graphic (SEG) appears virtually frameless from the front when illuminated making a smooth edge transition that doesn't cause a visual distraction.
